KINGSTON GETS A NEW EATERY!

Mi Sueno Tacos y Mas Mexican Take-out and Catering.

(pictured left, Owner, Anna Moore with daughter, Alina Hurtado)

Born in Mexico, Anita "Anna" Moore learned from an early age that that cooking was an essential component of her family's rich Latino culture. She has been sharing authentic Mexican flavors with her neighbors in Kitsap County through

catering and vending at farmer's markets, festivals and events for years with her company, Mi Sueno Catering. . On December 5th, Anna opened Mi Sueno Tacos Y Mas, Mexican Take-Out. Located adjacent to the Kingston Ferry Terminal parking lot at 25923 Washington Blvd., Mi Sueno is poised to become the next great take-out in the region. For years, folks have been riding the ferry to Kingston to enjoy the 6 time winner of Evening Magazine's Best of Western Washington's take-out, Jaime Les Crepes. Now they will be coming for crepes *and* the incredible Sasquatcho Burrito (as big as your head), and delicioso street tacos with fresh lime and cilantro! Carne Asada, Polla Asada, Carnitas, Venduras, even Mariscos on occasion.

Open 11am to 7pm daily except Mondays. Come in or call ahead, 360-860-0303. Follow Mi Sueno Tacos y Mas on Facebook and Instagram and visit their website! <http://www.misuenotaqueria.com/>

A Message from our new Chamber President, Shelby Nelson.

My husband's family has been in the Kinston, Bainbridge and Hansville areas since the early 1940's. As soon as I moved here with my husband 11 years ago, I immediately fell in love with the community, the people and the beautiful North Kitsap area. After serving my first year on the Kingston Chamber Board in 2015, I am enthusiastic, excited and proud to be the 2016 / 2017 President. In my position as Sales and Events Manager for the Point Casino, I juggle a wide variety of tasks and meet a huge number of people. It is my goal in 2016 as Chamber President to utilize my organizational and people skills to bring together local businesses, community leaders and our board of directors. Happy New Year Everyone. Let's make 2016 a great year!
~Shelby Nelson
